Message from the Headteacher

Just a reminder that it is parents' evening next week. If you haven't yet received your appointment time, please don't hesitate to contact the school office to find out. Please arrive ten minutes beforehand to look at your child's work which will be on display in the cloakroom area – thank you.

Look out for the governor newsletter next week, which will also provide details about the headteacher recruitment process.

Next week we will be sending home any sets of children's workbooks that we kept from last year for evidence of progress. Clubs have now finished for the term and will resume the second week back. A list of summer term clubs will be available the first week back.

A particular thanks this week must go to Mrs Miller and Mrs Hopkins, our two cleaners who, in the snowy conditions earlier in the week, have been so helpful and proactive in keeping our school site (and the path leading up to school) safe for our children and families. This has been much appreciated by so many.

There is a vacancy for a new parent governor on the governing body. Please see the attachment for further information.

Our Easter assembly is being held on Thursday 29th March at 9.05am – all classes are contributing towards it and everyone is welcome to come and watch! Finally, just another reminder that we finish at 1.30pm next Thursday (29th) for the Easter holidays.

Family Focus activity

On Tuesday 27th March we are holding another Family Focus activity session after school, this time on the theme of 'Boredom Beaters!' - including lots of activities that can be completed at home with minimum equipment. Please come along to the hall for 3.15pm with your child/children for lots of fun!

School Olympics
Our Y2 and Y3 children represented our school very well on Wednesday this week at this partnership event.

FOMBS update

We are looking forward to seeing lots of you on **Sunday** with tyres pumped and wheels oiled ready for our **Family Bike Ride**, 10.30am for an 11am start, with a barbeque at 12pm. See the attached flyer for a reminder of the details.

MODELS ARE WANTED for our FOMBS fashion show on Friday 27th April.

A range of clothes from *Kids on the catwalk* will be modelled by children from school with the opportunity to buy clothes if you want to. Please see the attached flyer for details of the event. If your child would like to be a part of the show, please return the form in book bags or use the attached MODELS WANTED form and return to school by Tuesday April 17th at the latest.

KS1 trip

On Monday the children in Chestnuts and Sycamores will be going to the fire station in Woodstock to link into their current topic work. Please could all children arrive at school promptly with a water bottle - thank you. More to come on their visit in next week's newsletter!

Easter egg hunt

This will be held on the last day of term, Thursday 29th March and will be organised by our Y6 pupils. If you do not wish for your child to take part in this (it will involve eating a small chocolate egg at the end!), please let the office know - thank you.

Y6 partnership concert

It was lovely to have our school participating in this singing concert, as part of the Chipping Norton Music Festival, on Wednesday afternoon. Particular thanks to Mrs Cubley and Mrs Knight who accompanied us as parent helpers.

After school netball club

If your child is in Y4, Y5 or Y6 and is interested in playing netball, he/she may like to join an after school club at CNS on Thursdays, beginning on Thursday 26th April for five weeks. For further information, please contact the office.

Healthy lunchbox reminder

Your child still has until the end of Wednesday 28th March to produce his/her healthy lunchbox poster, in order to win a prize from the PLT and have his/her poster displayed around the school. All entries must have name/age/class on the back - thank you.
